PROTESTED by H.J. Murrish, June 21, 1913.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

Subject to the prior rights on the same source. This permit is granted for the underground waters on the presumption that the source is defined. After development the quantity of water obtained shall be listed with the State Engineer, since it is intangible at present.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed Two (2) cubic feet per second.

Actual construction work shall begin on or before June 10-1914.

Proof of commencement of work shall be filed before July 10-1914.

Work must be prosecuted with reasonable diligence and be completed on or before June 10-1915.

Application of water to beneficial use shall be made on or before October 10-1916.

Proof of the application of water to beneficial use must be filed with the State Engineer on or before November 10-1916.

WITNESS MY HAND AND SEAL this 10th. day of May, 1914.

Proof of labor filed JUL 13 1914

Map filed NOV 18 1914

Cancelled APR - 3 1917 because of failure of

applicant to comply with provisions of permit.

State Engineer.
